At the top left is the JARFN logo, a stylized 'C' with a square inside, followed by the text "Committee for International Exchanges of the Japanese Association for Research in Family Nursing (JARFN)". Below the logo is a navigation menu with the following items: Home, About Us, International Exchanges, Call for Papers, Useful Links, Twitter, and Contacts. The main content area features a paragraph: "The Japanese Association for Research in Family Nursing (JARFN) numbers over 1,400 members, making it the world's largest organization related to family nursing. JARFN's stated objectives are to promote research in family nursing and mutual collaboration between researchers and practitioners, and to foster communication among members and collaboration with internally and externally related institutions." Below this is a "What's New" section with a dark green header. The first entry is dated "February 10, 2011" and states: "The Committee for International Exchanges of the Japanese Association for Research in Family Nursing (JARFN) has opened its Web site." To the left of the main content are three promotional banners: "10th International Family Nursing Conference", the JARFN logo with the text "JARFN Japanese Association for Research in Family Nursing", and a banner for "JARFN 10".
